CONSTRAINT – funding

Funding

DPSN. Limited funding, and facing probable cuts to funding.

Limited funding - County of Dufferin

Fundraising

FTP: We are also limited by our ability to host our annual in-person fundraising events, which generate operational revenue for us, so we are challenged to navigate what these will look like virtually.

At FTP, we are experiencing lower fundraising numbers, while incurring costs to make modifications. We also aren't able to accept donations of physical items, that our clients always need.

Expenses

Cleaning costs are adding a lot of stress to budgets

Lack of funding (community) - DAFHT

GET – housing&facilities

Facilities

**Friends & Advocates.
Finding space to be

people that is quiet**
