**Orangeville Banner:**

Top of mind community issues:

From Christine Madden County of Dufferin to Everyone: affordable housing and homelessness

From Norah Kennedy (she/her) FTP to Everyone: was just about to type the same answer Christine!

From Anita Macfarlane to Everyone: Food Insecurity

From Kim VR to Everyone: I agree with that 100% - big spreads on big issues are important

From Kim VR to Everyone: Use the media to show how we know how to COLLABORATE in Dufferin County....

From Jennifer Payne to Everyone: Thank you for the excellent coverage, Melinda. Always love the articles, personal stories, and the occasional deep dive. We wrestle with how to get the word out, without funds for advertising. CSWB - or well-being in general - is a unifying theme with many layers to explore from there.

**Re-creating DC MOVES conversation:**

From Sheralyn Roman to Everyone: The Directory is WHO, does WHAT, for WHOM. Then cross-pollinate the information for us all!

From Anita Macfarlane to Everyone: Great example of a directory:

From Colleen - United Way (she/her) to Everyone: Great conversation - I would love to have a listing of everyone!

From Kim VR to Everyone: Who does what for whom?

From Sheralyn Roman to Everyone: You know I think that's a pretty cool idea. Organizations do this all the time to promote team. This is a way of promoting cross-organizational team building, fostering co-operation and collaboration.

From Kim VR to Everyone: THANK YOU to this amazing group of minds who show up and dive deep. THANK YOU Elaine for hosting and supporting us always.

From Anita Macfarlane to Everyone: Could invite some of those who don't attend often to do a share presentation???

From Jennifer Payne to Everyone: Good idea Anita. I expect the list would have a lot of overlap with Volunteer Dufferin org members too.

From Sheralyn Roman to Everyone: Just gonna drop this "idea" because I'll forget it otherwise - that perhaps a portion of DC Moves becomes a VOLUNTARY platform where all those 150 members choose whether to register themselves as a DC Forum member/participant and if they do so - first, the onus is on them to register and secondly, that they are willing to give and to get and to collaborate.

From Sheralyn Roman to Everyone: As well - I truly also feel like social media page is fantastic idea - it's just simple. Simple is sometimes best. A moderator, lots of postings and shared information. I'm on several for specific medical information sharing and they are great forums for constant communication and information sharing.
